EDUCATION

PhD student in Mechanical Engineering (not yet a candidate), Villanova University
(Aug. 2015-Present)

Advisor: Dr. Alfonso Ortega

M.Sc. Mechanical Engineering, University of Balamand, north Lebanon
(www.balamand.edu.lb) (Mar. 2012-jun. 2015)

Thesis title: A Computational Study Of Heat Transfer In A Laminar Oscillating Confined Slot Jet Impinging On An Isothermal Surface At Low Reynolds Numbers

Advisor: Dr. Johnny Issa

B.Sc. Mechanical Engineering, University of Balamand, north Lebanon
(www.balamand.edu.lb) (Sep. 2008-Feb. 2012)

B.S Project: Modeling and Manufacturing of a Steam Rocket

Advisor: Dr. Oussama Jadayel

RESEARCH INTERESTS

Mathematical modeling in Thermodynamics and Fluid Mechanics, Computational Fluid Dynamics.
